Dear Graeme *Robertson*

It was a tremendous honor to be presented with the Carmel Residents Association's Lifetime Achievement Award.

As I mentioned at the lovely event, any achievements I may have were due in no small part to the many people who volunteered, worked and supported our efforts. The members of CRA are representative of those selfless people.

As I transition to the next phase of my life, your thoughtful kindness will be long remembered.

Best regards,

Mary L. Adams, Supervisor
